

Why Buy a Heating & Cooling Agreement?

A *Service Agreement* provides you with routine maintenance of your equipment which yields the lowest overall operating costs while giving the customer the highest probability of year-round comfort. Your *Service Agreement* will:

REDUCE YOUR FUEL BILLS:

By cleaning & calibrating your equipment on a regular basis, the uses of energy will be maximized, therefore keeping your fuel bills to a minimum.

PROLONGS EQUIPMENT LIFE:

Routine maintenance keeps your equipment in top operating condition. This prolongs its life, therefore lowering your annual cost of equipment.

MAXIMIZES SAFETY:

Routine maintenance assures the safe operation of your equipment by correcting potential problems before they occur.

What are the Specific Benefits?

Priority
Emergency
Service

Controls for proper operations

How Much Does the Service Agreement Cost?

The cost of an annual *Service Agreement* is literally less than having your normal annual clean & check done *plus* one service call per year. You will no longer have to remember when to call for service; we will call you each spring and fall to schedule maintenance at a convenient time. Your annual *Service Agreement* is a bargain at the following prices:

★ 1 Year	\$160.00
★ 3 Years	\$480.00

Exclusions: Lennox Products
